German Club, XI; Dramatic Club, X, XI, XII; Music Club, XII; Committee for Dorothy Vernon of Haddon Hall, XII.

"Bess" has always been a "rooster" for the West Chester High School. We hope she will come through with flying colors in whatever she undertakes.

DOROTHY GRAY

"A smile for all, a welcome glad,
A jovial, friendly way she had."

German Club, XII; Commercial Club, XII; Mathematics Club, XII; Posture Club, XII; Bible Club, XII.

Dorothy is rather quiet among her schoolmates, but she always has a pleasing smile for everyone. We are sure that her willingness to help and gameness to participate will carry her far in the world. Her great ambition is to be a designer, so lots of good luck, Dorothy.

ALBAN HARVEY

"Man should he ever better than he seems."

Entered from Chadds Ford Consolidated School, XI; Monitor, XII; Perfect Attendance, XI.

Alban is one of the quiet students in our class. He comes from Chadds Ford School. Alban is a friend to all who know him and is not afraid of work when it comes. His one desire is to become an aviator. Happy landings, "Al".

HOWARD T. HOPKINS

INDUSTRIAL SCIENTIFIC

"Very quiet, yes, his true,
But he will appeal to you;
Until the very end,
He'll always be your friend."

Intermediate Baseball, X.

"Howdy" will always be remembered for his quiet and bashful manner. If he is your friend, you know you have a true one. He is undecided as to the future; but the class of "36" wishes him luck in whatever he decides to do.
