Business News

- **New Merger to Appear in Georgia**
  - The Ministry of Economic Development has reported that three large companies, "International Gas Corporation", "International Oil Corporation" and "SakNavtobi" will soon merge into one larger corporation to form a stronger organization in the field of fuel industry.
  - Deputy Minister Kakha Damentia said the merged company will make the work in this sphere much more effective and improve structure of its management.
  - The procedure in this regard has already been launched and the merging of the three companies will be announced at the meeting of the shareholders on 20-25 March. (Rustavi2 Broadcast)

- **IFC Plans to Invest $44M in Georgia in The Near Future**
  - According to the office of Prime Minister Zurab Nogaideli, the information on IFC plans to invest in the near future $44 million was delivered during the forum Invest in Georgia, which was held in New York, the US, on March 2. However, it has not been announced yet where the investment will go.
  - Since 1995 (when Georgia became an IFC member) IFC has invested approximately $137 million in projects in the financial, manufacturing, oil and gas, agribusiness, transportation, mining, and tourism sectors. The forum in New York was organized with the assistance of IFC.
  - The Georgian delegation presented to forum participants the list of enterprises subject to privatization. According to the Prime Minister’s office, an agreement was reached with the New York Stock Exchange to privatize Georgian state property through this exchange. Moreover, selling shares of Georgian companies at the New York Tock Exchange are also under consideration. As part of the forum, an agreement was also signed with the US Trade and Development Agency on disbursing funds to the construction of a 500-kW electricity transmission line in Georgia.
