If you need help with an assignment and would like to meet with one of us, please contact us via our email addresses or leave a message on the office phone. Describe what you would like to go over before we meet in your message so we can prepare. We ask that when we do meet to please bring any resources that can be beneficial including texts, notes, and drafts so we can help you to the fullest of your abilities. If you are looking for help on a paper, please set an appointment at least 3 days in advance of the paper due date so we have time to go over the content properly.
